

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the business as strong and durable equipment which satisfies the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation-wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln could provide machinery, components and warranty service for these kinds of scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results count. Lately, this floor scrubber model has been requested by the architects in new construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location due to the model's high standard of quality and supreme performance level for polishing concrete.
