

Concrete Hoppers

Concrete Hoppers - This particular accessory is a self-dumping hopper that automatically sets off to dump as soon as bumper release touches the side of a dumpster. Once dumping is finished, the hopper goes back to an upright and locked position. This particular piece of equipment also comes with a cable which allows operation from the seat of the forklift to be able to have the alternative of manually dumping the hopper. There is a locking chain provided to lock the hopper to the tine truck. This product is made with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper even has a blue powder coat finish so as to maintain durability.
